Reasons why Flamerite are the UK's leading specialist electric fire manufacturer:

Unprecedented Customer Service
Friendly assistance from real people – we're extremely easy to contact by phone or email.

Ultra-reliability
All our award-winning electric fires and fireplaces are designed, assembled and patented, made in Great Britain to the highest UK and European Standards (BS-EN).

2-year warranty as standard
Every Flamerite fire comes as standard with a 2-year warranty, extendable to 3 years with access to certain benefits guaranteeing the longevity of your fireplace for years to come.

Shop or Home Direct Delivery
Everything we sell across the UK is delivered safely on our own transport; we do not use a courier service.

DESIGNED FOR LIVING

2021 -22

---

2 YEAR WARRANTY

OVER 22 YEARS A FAMILY RUN UK MANUFACTURER

Flamerite Fires was founded in 1999 in the historic city of Lichfield, carrying on a thirty-year family tradition of producing electric fires with outstanding design. Since then Flamerite Fires has led the way in changing the look and feel of what was a basic product, falling out of fashion, into a modern and stylish appliance, sought after by homemakers old and young for rooms of all kinds.

Over its 22 year history, Flamerite Fires has won numerous awards and gained a reputation for integrity, excellent customer service and support for the independent retail sector as well as for producing high quality, innovative electric fires, stoves and suites.

Now, with half a century's expertise in manufacturing electric fires and fireplaces, we proudly welcome a third generation into the family business, who remain committed to building good working relationships whilst being mindful of the need to protect the environment and striving for continuous improvement in everything Flamerite does.

Energy efficient LED fires

Smart eControl
Easy to use iOS & Android app with advanced features to control your fire.

RADIA*Flame* 30

A strong and radiant flame image with a deep fuel reflection.

Fire eControl
Easy to use dual controls, a remote or iOS & Android app both control your fire.

NITRA*Flame* 7

A vibrant, colourful flame and fuel effect with a deep high definition reflection.

OMNIGLIDE®
A tilting glass panel that enhances the flame and conceals the heater.

CinderWOOD
A log fuel effect featuring a realistic and internal radiant burn at the heart of your fire.

Once you've decided on which fire you want...

...choose your control and flame effect from **two** great options

1

Smart eControl app

Easy to use iOS & Android app with advanced features to control your fire.

- Manual & app control
- Thermostatically controlled heat
- Dimmable LED flame effect with flicker control
- Adaptive 7 day single event programmable timer
- Open window detection

HEARTH INSET FIRES & CAST

If you already have a fireplace, or space you want to put a new fire into, then our range of hearth inset fires are for you.

Designs range from the totally traditional to the modern and will fit standard hearth openings. You can even opt for a stove if it suits your surroundings best (Luca 450 p25). With a choice of fuel bed, finish and trim options you can tailor your fire to suit the style of your room.

57
